Heartsaver First Aid w/CPR & AED

This class covers the core first aid with CPR and AED skills for adults and children, plus additional information about choking for infants and children. This course also includes basic first aid and environmental emergencies. A skill exam is required to successfully complete the course. This class is approximately 4 to 5 hours in length, with an 8 participant limit. Upon successful completion, participant will receive a two-year American Heart Association certification card.

Who Needs It?

All lay rescuers, including childcare workers, babysitters, fire and police, airline personnel, security guards, or family members of patients at high risk for cardiac arrest. This course meets OSHA regulations.
