FREQUENTLY ASKED QUESTIONS

Can I pick my child's instructor?

Only if you sign up for private or semi-private swim lessons. Instructors for groups are chosen by the Aquatic Director.

How many sessions does it take to pass from one stage to the next?

YMCA Swim Lessons are designed to take 2-3 sessions to progress from one stage to another. Some children will require more or less time in a stage. We expect each child to learn and progress at his or her own rate. A child will advance to the next stage only when he or she can proficiently and safely perform the skills within his or her stage.

Do you make up lessons if my child has to miss?

For group lessons, we do not make up classes for an individual child. If the entire class is cancelled because of weather, the class will be made up at a time of the instructors choosing.
