By participating in the Doggie Dip you assume full responsibility for your dog and understand that the YMCA of Memphis & the Mid-South is not liable for any injury or loss to pets and /or people resulting from your participation in this event. This is an off-leash event where dogs will be running and swimming, so for the safety of everyone, we strongly suggest leaving small children at home. You will be required to sign a waiver at time of on-site registration in order to participate.

Guests are not permitted to force dogs into the water against their will. This includes pulling them or pushing or tossing them in.

No refunds issued for any reason. Event will take place in light rain, but in case of storms, event will be rescheduled to storm date, Saturday, September 15.

Weather / Rain Policy

This event will continue rain or shine. However – if lightening or thunder occurs nearby, the pool must shut down for 30 minutes. Should this occur during the swim session the following policy will be followed:

If thunder/lightening has passed by end of 30 minutes time-out, dog pool pawty will resume as scheduled (and therefore we will NOT have a make-up date). We suggest waiting out the storm in your car or leaving and coming back 30 minutes later if weather has cleared. Swim session may be cut short but weather is beyond our control – no refunds for any reason.

If thunder/lightening continues after the 30 minute time-out the event will be canceled and be held on our storm date, Saturday, September 16 at the same times.

And – worst case – if the storm date is also stormed out – please understand that the weather is simply beyond our control and we cannot offer any additional make up times. No refunds for any reason. Thank you for understanding.
