Private Swim Lessons Cancellation and Make-Up Policies

I understand that in signing up for and paying for Private/Semi-private swim lessons at the YMCA at Schilling Farms that the YMCA swim instructors must be paid whether I show up or not. Cancellations must be made at least 3 hours in advance. Lessons cancelled with 3 hour notice will be rescheduled based on instructor availability. Lessons cancelled for any reason with less than 3 hours' notice will not be rescheduled and will be counted as a missed lesson. You will be charged for a "NO SHOW" in the event you miss a lesson without appropriate cancellation notice to your instructor. To cancel or reschedule a private or semi-private lesson, please contact your instructor directly.

All swim lesson packages will expire 90 days after the start date of the lesson. Unused private lesson purchases may not be carried over into the next calendar year.
