MODEL UNITED NATIONS 2019 Youth Debate World Issues

Nearly 2,100 students from across the state gathered at the Embassy Suites Conference Center in Murfreesboro, TN for the 39th Annual High School Model United Nations Conference.

Delegates debated issues regarding water purification, deforestation, refugee crisis, nuclear weapons, human trafficking, epidemic diseases, land disputes, sustainable energy and other world concerns.

The International Court argued over the Maritime delimitation in the Black Sea between Romania and Ukraine.

The Secretariat debated issues regarding climate, refugees and the Bolivian regime change.

The Security Council convened until 2 a.m. to solve a World Crisis. It was another great time at MUN!

Benjamin Klemis, Will Arthur - ECS

Outstanding Security Council Delegate

Caroline Couch - Hutchison

Outstanding Brief in the ICJ

Harmon Colvett and Fawwaz Omer - MUS

World Cup

Champion - CBHS
Finalist - St. Mary's

DID YOU KNOW?

The MUN delegates provide education support for 40 students in Ibague Colombia each year?

The funds provide books, uniforms, meals and tuition. Public education is not a right in Colombia as it is in the United States.
